

REGISTRATION HOW TO

DO YOU ALREADY HAVE AN ACCOUNT?

To use the online registration system you need an account. If you are a returning customer there is no need to re-create your account season after season and you may sign in using the Log In tab.

If you have not used this online system before, you will need to create a new account for you and your family. Click the **SIGN UP** tab on the right hand side of the page to get started.

The screenshot displays the 'DYSC Member Zone' interface. On the left is a navigation sidebar with options like 'Login', 'Today's Events', 'Schedules', 'Standings', 'Results', 'Facilities', and 'Support'. The main content area is titled 'Welcome to the DYSC Member Zone!' and features a 'New Member?' section with a 'Sign Up' button and an 'Existing Member?' section with a 'Log In' button. On the right, the 'Sign Up' form is visible, containing fields for 'Email Address', 'Confirm Email Address', 'Home Phone with area code', 'Password', and 'Confirm Password', along with a 'Continue' button. A red arrow points to the 'Sign Up' tab at the top of the form.

Enter your email address, home phone number and select a password in the appropriate spaces. Re-enter your password for confirmation then click Continue.

You can still log in using your previous email address if you remember your password. If you no longer remember your password and do not have access to your emails at your previous email address you will need to contact your club administrator to update your profile for you. Once updated you will be able to reset your password and log in.

The screenshot shows a user interface for logging in or signing up. At the top, there are two tabs: "Log In" (selected) and "Sign Up". Below the tabs are two input fields: "Email Address" with a red 'x' icon indicating an error, and "Password". A green "Log In" button is positioned below the password field. A horizontal line separates the login section from the password reset section. The password reset section contains the text "Forgot your password? Please submit your email address to have a new password sent to you." followed by an "Email Address" input field and a red "Reset Password" button.
